

East Hill WILDCATTER

East Hill Elementary PTA

Volume 11, Number 2 December 2015

Dear East Hill Families:

It's hard to believe that 2015 is coming to a close, as we reflect on the gratitude that East Hill has shown our community.

Between November and December, East Hill has given so much to back to our community. **Thank you to the families that donated Halloween costumes** for other children within our district to use next year. **A big thank you to our student council** who helped prepare, organize and sort all of the items for our 11 families that were a part of our Thanksgiving meal giving project. It's always exciting to see the kids be a part of something that they can take ownership of.

It never ceases to amaze us how quickly all of the tags fly off the **giving tree**, and this year proved to be no different. We are very appreciative of all of your support. **The gifts have been delivered to the families.** A big thank to all of you that have given your time and resources so freely in making all of our PTA sponsored events a success.

Don't forget, if you haven't already joined the PTA, it's not too late! A **Membership form** can be [downloaded here](#) and sent into school with your child in an envelope marked PTA membership. **We are very close to our goal of 199 members!**

Spirit Wear is in and will be ready to go home within the week. Also, just a reminder that **early bird yearbook orders are due by December 21st.**

Here are a couple dates in January for your calendar; our next **PTA meeting** will take place on **January 13th** at 6:00pm at the high school. We will meet in the LGI room. Immediately following our meeting, Dr. Brown will host his annual **Ask the Superintendent** meeting. **Enrichment Day** is scheduled for **Saturday, January 30th**. More details regarding Enrichment Day are below.

We wish you and yours a **joyous holiday season** and we look forward to seeing you all in 2016!

Our Best,

Karen Lieu, karen.lieu.ny@gmail.com & Lori Harrington, loriharringtonrealtor@gmail.com
