West Genesee SEPTSA

Special Education Parent Teacher Student Association

Welcome to the West Genesee Special Education Parent Teacher Student Association!

Special Education PTAs (or SEPTAs) are designed to help parents advocate for special needs children. It is a place for parents and teachers to exchange information on various programs, funding, ever-changing state and federal laws and to support each other on the many problems of adjustment, growth, and development our members face. WG SEPTA has regular meetings just like any other PTA, with guest speakers and workshops on many pressing issues for our children, in addition to activities.

The West Genesee Special Education PTSA was founded on February 2, 2009 and represents students K-12 in the West Genesee School District. Membership is not restricted to parents, teachers, and/or students enrolled in special education programs or receiving special services. It is open to any interested parent, teacher, student, administrator or community member.

You can find information about WG SEPTSA on the westgenesee.org website under Special Education or contact us at wgseptsa@westgenesee.org
