

June 2016

Dear Parent(s):

As third grade teachers, we are looking forward to meeting your child in September. We anticipate a happy and successful year.

To help you in your planning, we have some suggestions for appropriate materials that may be helpful in preparing for third grade. We ask that your child have:

- \* A small zipper pencil bag
- \* 3 packages of sharpened #2 pencils - please only Ticonderoga (no mechanical pencils)
- \* 1 yellow highlighter
- \* 4 glue sticks and 1 small bottle of Elmer's glue
- \* colored pencils
- \* crayons
- \* tissues for our classroom
- \* math flash cards (multiplication)
- \* red pen
- \* Fiskars scissors
- \* art smock (old T shirt)
- \* 1 yellow and 1 orange folder
- \* baby wipes - boys
- \* a box of sandwich zip lock bags - girls
- \* 2 composition notebooks
- \* hand sanitizer
- \* Expo markers - 4 pack - low odor
- \* Earbuds (preferably not from the Dollar Store)
- \* \$1.00 for desk organizer

We ask that crayons be limited to a box of 24 crayons. In addition, we ask that you please not purchase a 3-ring binder or extra folders as they are not part of our study skills program. Thank you.

We trust you find this information helpful, and it makes your fall less hectic in preparing for the new school year. Have an enjoyable summer!

Sincerely,  
Third Grade Teachers
