Michael A. Burns

Director of Physical Education & Athletics

September 17, 2020

West Genesee Student-Athletes and Families;

We have received direction from the Salt City Athletic Conference (SCAC) and Section III that we may begin a Fall-1 Season for low and moderate risk sports starting on **Monday, September 21st**. West Genesee CSD will offer the following sports and levels:

Sports offered (Fall-1)	Levels offered (Fall-1)
Cross Country - Boys	Varsity and Modified
Cross Country - Girls	Varsity and Modified
Golf – Boys	Varsity and JV
Soccer – Boys	Varsity, JV, Fr and Modified
Soccer – Girls	Varsity, JV, Fr and Modified
Tennis – Girls	Varsity and JV

Notes:

- All athletes must be registered to play a Fall-1 sport by completing the sign up through FamilyID no later than September 19th. The [registration link](#) can be found on the Athletics webpage.
- Girls Fall swim (V and 7/8) for the SCAC has been moved to the new Spring season beginning March 1 due to many of the league schools not having accessibility to a pool due to Covid restrictions.
- If your child had a physical on file for the 19-20 school year, you DO NOT need to have an updated physical for the Fall-1 2020 season.
- Athletes are permitted to participate regardless of their educational setting (Hybrid or Remote).
- Families are responsible to transport athletes to/from campus for practices or to campus to ride the bus to competitions. Parents are asked to remain in their vehicles for the safety of all athletes and staff.
- Week 1 tryouts and practices are be posted on our [Athletics Webpage](#) as soon as they are confirmed. There will be a link on the left for practice times.
- All athletes will need to turn in a Covid screening form prior to each practice in order to participate. They will receive a packet of forms the first day of practice. Please use a school one for the first day.
- All athletes are responsible for bringing their own water and to not share with other athletes.
- Unfortunately for Home Games, the WGCSD has determined that fans will only be allowed at Varsity contests (2 per athlete) due to safety for our athletes and field logistics at the lower levels. This decision will be revisited as the season gets under way.

Thank you and please feel free to contact me if you have any further questions. Go Wildcats!
